

## University of Maryland Accessibility and Disability Services

---

Individuals with a documented disability are eligible to receive the accommodations necessary to ensure equal access to campus programs. To receive these accommodations, you must register with the University's Accessibility and Disability Service (ADS). The services offered by ADS include: Testing Accommodations, Reading Accommodations, Note Taking, Adaptive Technology, Para-transit Registration, Advocacy Support, Sign Language Interpretation, and Closed Captioning.

### Contact Information

Website: <https://counseling.umd.edu/ads/>  
Phone: 301-314-7682 or 301-314-7651  
Address: Accessibility and Disability Support Service  
University of Maryland  
4281 Chapel Drive  
Shoemaker Building, Room 0106  
College Park, MD 20742

### Instructions

1. After receiving admission to Terp Young Scholars, contact ADS to schedule an Intake Interview. For further information visit, [ADS Getting Started](#).
2. Visit [ADS Documentation Requirements](#) for a complete list of the documentation required for disability verification. There are documentation requirements for the following:
  - a. Attention Deficit Hyperactivity Disorders
  - b. Hearing Disabilities
  - c. Learning Disabilities
  - d. Medical Disabilities
  - e. Mobility Disabilities
  - f. Psychological Disabilities
  - g. Vision Disabilities
3. ADS staff reviews your documentation, discusses your needs, and completes a *Classroom Accommodations Sheet*. This information is not shared with Terp Young Scholars staff.
4. Instructor meeting: It is the student's responsibility to share the *Classroom Accommodations Sheet* with instructors. ADS does not contact instructors.
5. Have the instructor contact ADS with any questions.

Students with temporary disabilities, such as broken leg or sprained ankle, should contact the University Health Center 301-314-8180.
