

Note - Journalism is a Limited Enrollment Program to which you can apply only after you have completed the program's gateway requirements (see [www.lep.umd.edu](http://www.lep.umd.edu)). If you are interested in Journalism, your official major is most likely **Letters and Sciences**. You may register for up to 17 credits.

Carefully review the information below for help in determining which courses to choose this fall if you are considering a Journalism degree.

**Required Fall courses for students considering Journalism:**

- JOUR181 (this is a gateway course for the Journalism major)
- JOUR200 (this is a gateway course for the Journalism major)
- ENGL101
- UNIV100

**Recommended Fall courses for students considering Journalism:**

Choose 1 or 2 courses from among the following:

- ECON200
- GVPT170
- SOCY100, SOCY105, ANTH260, PSYC100 or PSYC221
- COMM107
- HIST200 or HIST201
- General Education requirements: AR, MA, NS, NL, SP, IS (see [Courses by General Education Requirement sheet](#))

- 1) If you are taking AP/IB exams or bringing in Transfer Credit, visit the [University's Transfer Credit Services](#) to see how your credits will transfer. You may be bringing in credit for a required/recommended course. If this is the case, do NOT take the course at the University of Maryland.

*Example: If you anticipate receiving a 4 or 5 on the AP English Language and Composition exam, do NOT enroll in ENGL101 even if it is listed as a "Required" course above.*

- 2) Times and course descriptions for all classes may be found on the [Schedule of Classes](#). You will need to make sure that the courses you choose are open and that the times do not conflict (you can download a schedule worksheet [here](#)).
- 3) If a mathematics course is required, choose the course that seems like the best fit based on your level of high school math. If more than one math course is listed, include the lower-numbered course as an alternate in case you do not test into the course of your choosing.

Students may also access the [UMD Math Testbank](#) to review prior years' final exams, answer keys and syllabi.

If a course you choose has a mathematics prerequisite (such as ECON200), you MUST list an alternate course.

- 4) If a course is required for your intended major, include it on your enrollment form even if it appears closed. Be sure to list an alternate course.
- 5) Once you have chosen sections of the above courses that do not conflict, include them under the Primary Course Request and Alternate Course Request table on the [FC Enrollment Form](#).
- 6) Your Course Request will be reviewed by a Freshmen Connection Advisor and you will be contacted by e-mail if there are any issues with the courses you have chosen. If you need additional assistance choosing classes, please contact a Freshmen Connection Advisor at 301.405.7762 or [fc@umd.edu](mailto:fc@umd.edu). In-person and phone appointments are available Monday through Friday 9:00 am – 5:00 pm.
