Note – the University of Maryland does not offer a Physician Assistant degree. You must select a program from the list of majors offered at the University of Maryland. You may register for up to 17 credits.

**Required Fall courses for students interested in a Physician Assistant program:**
- PSYC100
- CHEM131/132
- BSCI170/171
- UNIV100

**Recommended Fall courses for students interested in a Physician Assistant program:**
- STAT100
- 1 General Education requirement: AW, MA or AR, OC, HS, HU, SP, IS (see Courses by General Education Requirement sheet)

**Restricted Fall courses for students interested in a Physician Assistant program:** (do not take the following)
- General Education requirements: NL (other than CHEM131/132 and BSCI170/171), NS

1) We strongly recommend reviewing the Physician Assistant information available from the Reed-Yorke Health Professions Advising Office.

2) If you are taking AP/IB exams or bringing in Transfer Credit, visit the University’s Transfer Credit Services to see how your credits will transfer. You may be bringing in credit for a required/recommended course. If this is the case, do NOT take the course at the University of Maryland.

   Example: If you anticipate receiving a 4 or 5 on the AP Biology exam, do NOT enroll in BSCI170/171 even if it is listed as a “Required” course above.

3) Times and course descriptions for all classes may be found on the Schedule of Classes. You will need to make sure that the courses you choose are open and that the times do not conflict (you can download a schedule worksheet here).

4) If a mathematics course is required, choose the course that seems like the best fit based on your level of high school math. If more than one math course is listed, include the lower-numbered course as an alternate in case you do not test into the course of your choosing.

   Students may also access the UMD Math Testbank to review prior years’ final exams, answer keys and syllabi.

   If a course you choose has a mathematics prerequisite (such as BSCI170/171), you MUST list an alternate course.

5) If a course is required for your intended major, include it on your enrollment form even if it appears closed. Be sure to list an alternate course.

6) Once you have chosen sections of the above courses that do not conflict, include them under the Primary Course Request and Alternate Course Request table on the FC Enrollment Form.

7) Your Course Request will be reviewed by a Freshmen Connection Advisor and you will be contacted by e-mail if there are any issues with the courses you have chosen. If you need additional assistance choosing classes, please contact a Freshmen Connection Advisor at 301.405.7762 or fc@umd.edu. In-person and phone appointments are available Monday through Friday 9:00 am – 5:00 pm.
