Introduction

Beginning with the 2019-2020 award year, the qualified children of undocumented immigrants who are eligible for in-state tuition under §15–106.8 of the Education Article, Annotated Code of Maryland are now eligible to apply for various State financial aid grants and scholarships.

The Maryland State Financial Aid Application (MSFAA) is available online to applicants who are ineligible to receive federal aid using the Free Application for Federal Student Aid (FAFSA). The MSFAA allows qualified children of undocumented immigrants, who qualify for in-state tuition under §15–106.8 of the Education Article, Annotated Code of Maryland to apply and be considered for certain types of State need-based financial aid.

This user guide will provide step-by-step instructions on how to navigate through MDCAPS and complete the MSFAA application. Students may submit the MSFAA application using the Maryland College Aid Processing System (MDCAPS), available online through the Maryland Higher Education Commission (MHEC) website (at www.mhec.maryland.gov). All financial information must be entered manually by the student and parent.

After submission and review of a MSFAA application by the Office of Student Financial Assistance (OSFA), the applicant will receive notifications from MHEC of any additional documentation that may be required to determine his/her eligibility for State financial aid. Through the use of MDCAPS, MSFAA applicants will be able to check their application status and view any outstanding tasks that must be completed prior to, and after, receiving a state financial aid award.

Applicants should NOT complete the MSFAA if they are a U.S. citizen or an eligible noncitizen with an Alien Registration number – these students should complete the FAFSA at https://studentaid.ed.gov/sa/fafsa. International students who are studying in the U.S. on a student visa are NOT eligible for State or federal financial aid programs and should NOT complete the MSFAA. To learn more about non-U.S. citizen and federal financial aid eligibility, visit http://studentaid.ed.gov/sa/eligibility/non-us-citizens.
OSFA & MSFAA Eligible State Financial Aid Programs

Undocumented students, including DACA students, are NOT eligible for federal financial aid (including the Federal Pell Grant). However, they may be eligible for certain State financial aid programs.

To be considered for certain State financial aid programs, the MSFAA is required. OSFA uses information from the MSFAA to calculate students’ award eligibility for State grants and scholarships.

The MSFAA is the **required application** for the following State financial aid programs:

- Educational Assistance Grant;
- Guaranteed Access Grant;
- Campus-Based Educational Assistance Grant;
- Part Time Grant;
- Maryland Community College Promise Scholarship; and
- Richard W. Collins III Leadership with Honor Scholarship.

Undocumented students may also apply for the Cybersecurity Public Service Scholarship Program, by completing that specific application, but the MSFAA is not required as part of the application.

It is important to note that most scholarship and grant programs have additional requirements and/or steps to apply.

Visit [https://mhec.state.md.us/preparing/Pages/FinancialAid/descriptions.aspx](https://mhec.state.md.us/preparing/Pages/FinancialAid/descriptions.aspx) for more information about each program.

MSFAA Application Deadline

The MSFAA application for the 2019-2020 academic year must be completed by the established deadline for the state scholarship program(s) the applicant is applying for. The applicant may refer to the **OSFA & MSFAA Eligible State Financial Aid Program Section** for a complete listing of all State financial aid programs undocumented students are eligible to apply for. For example, undocumented students are eligible for the State’s largest need-based aid program the Howard P. Rawlings Educational Excellence Award Program, comprised of the Educational Assistance Grant and Guaranteed Access Grant programs. To be considered for both programs, the MSFAA must be completed by **March 1**. However, to be considered for the **Campus Based Educational Assistance Grant** program, the MSFAA application can be completed after March 1.

Visit [https://mhec.state.md.us/preparing/Pages/FinancialAid/descriptions.aspx](https://mhec.state.md.us/preparing/Pages/FinancialAid/descriptions.aspx) for more information on each program application deadline.
Use of MSFAA Data
The personally identifiable information provided on the MSFAA is confidential and used solely to determine eligibility for State financial aid. The personally identifiable information will be disclosed only as required by law. The MSFAA is used by the State of Maryland, not the federal government, to determine students’ eligibility for State financial aid programs. OSFA may share a student’s MSFAA data with the financial aid office at the institution(s) the student lists on the MSFAA.

Additional Information
Most of the questions on the MSFAA want to know the applicant’s situation such as the number of people living in the applicant’s household and the applicant’s marital status as of the day they sign the application. There are some instances that the applicant will want (or be required to) correct the information reported on the MSFAA.

If a mistake was made on the MSFAA, the applicant will need to make a correction by selecting “Click here to Review your MSFAA” located on the homepage of MDCAPS after login.

The applicant will then see the option to “Make Corrections/Resubmit” the application. The applicant may enter the correct data in the applicable sections of the application. Once all corrections have been made, agree to the terms and conditions of the application and click “submit.”

Anytime a change is made to the application, the parent will be required to complete the Parent Signature Form, in order for the application to be valid. Failure to provide a parent signature will leave the application incomplete.

MHEC will review the information provided on the MSFAA and notify the applicant should additional information be required to verify eligibility of State financial aid.

Important Tips when Completing the MSFAA Application
✓ While completing the MSFAA application, the applicant may see a question mark icon (❓) adjacent to a question. At any time, click this icon for helpful hints/tips on how to answer the question posed on the MSFAA.
✓ A red message indicating “required” in one or more fields may appear. Enter a response in each of the required fields before proceeding to the next page of the application.
✓ Frequenty Asked Questions (FAQs) regarding the MSFAA process may also be found by clicking the FAQ Icon (FAQ) available at the top of the home screen once the applicant is logged into MDCAPS.

✓ Click “Save Answers” before proceeding to the next page to ensure that the information provided in the MSFAA has been saved.

✓ The MSFAA will require completion of a series of questions, pertaining to dependency status.
  
  o In the case that “No” is selected to all of the questions pertaining to dependency, the applicant will be classified as a dependent student and will be required to provide financial information for the parent(s). Upon final submission of the MSFAA application, a signed copy of the parent signature page must be provided to MHEC in order for the application to be considered valid.

  o If “Yes” is selected to any of the questions pertaining to dependency, the applicant will be classified as an independent student and will not be required to enter parent information into the MSFAA. If independent, the application will immediately proceed to the School Selection section of the MSFAA.
Application Instructions

In order to complete the Maryland State Financial Aid Application (MSFAA), the applicant must:

- Create an MDCAPS account (unless the student has an existing account);
- Complete the MSFAA Eligibility Wizard; and
- Complete and submit the MSFAA Application.

Step One: Create an MDCAPS account

Follow the below steps to create an MDCAPS account online using a PC or Laptop, or log in if you have an existing account.

1. Visit https://mdcaps.mhec.state.md.us and click "Create a Student Login" located below the yellow [Login] button.

2. Then enter all demographic information, email address, and create a user name and password.

   Note: For an undocumented student who does not have a Social Security Number, please enter zeroes.
3. Once all required fields are entered check the box agreeing to the terms of the user agreement and click the “Create Login” button.
4. Upon submission, the applicant will be sent an activation link to the email address provided when the account was created. Log into the email and click the activation link.

After clicking on the activation link, the account is activated. Then, return to the MDCAPS homepage here (and log into the account with the username and password created.)
Step Two: Completing the MSFAA Eligibility Wizard

Before submitting the MSFAA, the applicant will be required to complete the MSFAA Eligibility Wizard which consists of a series of questions required to ensure that the Maryland State Financial Aid Application is the correct application for you.

Below are important tips to remember when completing the MSFAA Application:

Follow the below steps to complete the MSFAA Eligibility Wizard:

1. Select the “MSFAA (MD State Financial Aid Application) for Undocumented Individuals” link.

2. Read and Review the information on the Start screen. Then click “Next” to answer the questions asked in the MSFAA Eligibility Wizard to determine if the application is appropriate.
The questions that will be asked of the applicant on the MSFAA Eligibility Wizard are as follows:

1. Are you a U.S. Citizen or eligible non-citizen?

2. Do you or your parent/legal guardian currently have a Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN)? Note – Answer “yes” if you or your parent/legal guardian has filed income tax returns.

3. Did you (and if married your spouse), or your parent/legal guardian either:
   - file a Maryland income tax return each year for 3 years while you attended a public or nonpublic secondary school in Maryland, and for each year between your graduation from the secondary school and your registration at a community college in the State; or
   - file a Maryland income tax return each year while you were enrolled at a community college in the State, and for each year between your graduation from (or your achievement of 60 credits at) a community college in the State and your registration at a public senior higher education institution?

4. Have you completed a Free Application for Federal Student Aid (FAFSA)?

Based on the responses, the applicant will be navigated to complete the MSFAA or FAFSA, whichever applicable. If the applicant is eligible to complete the FAFSA, then the applicant should not complete the MSFAA. The applicant will be redirected to complete the Free Application for Federal Student Aid (FAFSA) instead of the MSFAA, at [www.fafsa.gov](http://www.fafsa.gov). If the applicant is eligible to complete the FAFSA, then DO NOT complete the Maryland State Financial Aid Application (MSFAA).
If after completing the Eligibility Wizard, it is determined that the applicant is eligible to file a MSFAA, the message “Eligible for MSFAA” will appear on the screen. To proceed with the MSFAA, select “Click here to apply for the MSFAA”.

**Step Three: Completing and submitting the MSFAA Application**

Before completing the MSFAA application, the applicant will receive an introduction page to the MSFAA which describes the documents needed to complete the MSFAA, types of information to be entered into the application, as well as the “Next Steps” upon completion of the MSFAA.

   Note: Dependent students (most students under 24 years old), will need most of the above information for your parent(s).
